

A photograph of three children walking on a paved path outdoors. On the left, a young boy with reddish hair is wearing a white corduroy jacket over a brown and white checkered shirt and shorts, and brown lace-up boots. In the middle, a young girl with long brown hair and a white bow is wearing a white dress with a small floral pattern and white socks with colorful shoes. On the right, a young girl with long red hair and a white bow is wearing a white long-sleeved shirt with a floral pattern and a checkered skirt, and brown lace-up boots. The background shows trees and a clear sky.
